Our scheduled meeting for February 10th may not work for all members. A proposed change to February 29th will be explored if the OT Museum is available.

OT Planning Board Meetings: are now televised. We need more business cards.

Facts and Issues: More will be shared at the February meeting.

Land Use: The proposed new dormitory on Logan Road has been voted down. Legal action may be taken. A new Toll Bros Senior Development has been proposed.

Observer Corps: A town permit will be needed for door to door real estate solicitation. A "no knock" list will be developed but will be of limited use as it is only accurate for the date issued. 481 new street signs are being ordered which will be reflective and more easily read. A new trash truck has been ordered. A new band shell for Palaia Park has been proposed

using the funds from the cell tower rentals in the Park. The Town Council Meeting will be posted on the local League website.

Old Business: Peggy Dellinger

Thank you letters have been sent to all participants in the candidate forum which was very well attended.
