

Default VOTE411 Candidate Questions for 2018 races

These questions will be emailed to candidates requesting them to post their answers directly on VOTE411 via a unique personal link that is included in the message. You can substitute or augment these questions with your own, if you prefer. Your customized questions need to be sent to ted.dellinger@gmail.com when you submit the candidate emails.

Generic questions for candidates in municipal races :

1. What are the major challenges facing the community and how would you propose to address them if elected?
2. What qualifies you for this position, both personally and professionally?
3. What factors are critical to the quality of life in your community and what would you do to improve or preserve them?

Generic questions for Board of Ed races:

1. What are the major challenges facing the district and how would you propose to address them if elected?
2. What qualifies you for this position, both personally and professionally?
3. What factors are critical to the quality of education in your district and what would you do to improve or preserve them?
