*Providing League non-partisan image is not jeopardized, nor a conflict of interest exists, whether real or implied.

- All League members should register and vote.
- No Board member should take public action on issues in conflict with League policy or position.
- Board members must have Board approval to serve on appointed boards or commissions when such positions can have politically sensitive implications for the League.
- Board of Education, Fire District and Township Council candidates are to be considered the same as political candidates in the above policies.
